Firestone Industrial Products

## Winter Air Spring Special Exclusively Available at Pacific Truck

Firestone revolutionized heavy duty transportation when they introduced the Airide™ air spring in 1934. Airide™ is synonymous with quality, performance and unparalleled support.

### Features & Benefits of Airide™ Air Springs:

- Offers a high total life cycle value
- Designed to OEM specifications
- Unmatched reliability for over 80 years in North America
- Used by more suspension builders than any other brand
